Overwhelming Grace

First or Last

Matthew 19 & 20

"So the last will be first, and the first will be last."

God's grace is more than enough.

With God all things that are impossible become possible.

With God, every time you give up you gain.

God is either generous or unfair.

There are no degrees of grace.

We who are first must learn to be last so that those who are not in line may find a place.
