

“Fully Blessed” August 9th, 2015

John 16:16-22, 33

Being fully blessed is about embracing all that leads us TO God rather than what we want FROM God.

In this world we will have TROUBLE.

In Jesus we will have PEACE.

Our weakness leads us to the blessing of experiencing God’s power and grace.

God cares more about meeting our NEEDS than meeting our DEMANDS.

Our faith needs to be in WHO GOD IS,
not in WHAT GOD DOES.
